Now comes the 3400 r. p. m. Chalmers Cabriolet, and supreme engine speed weds closed-car comfort, elegance, and distinction. The performance of this new 3400 r. p. m. model is matched by the charm of the closed-car builder's art.

The enduring might of her 3400 r. p. m. motor puts speed where it belongs-in the clasp of almighty acceleration and singular fuel-economy.

The cataract of power from her speedy engine is held in sensible restraint—yet she'll go 60 miles an hour any time you say, while delivering 18 miles of marvelous going for every gallon of gas.

She's the season's favorite with women of taste for shopping jaunts, matinees, teas, and calls. So easy to drive that it won't wear out your wife or daughter to sit at the steering wheel. There's an uncommon amount of room, not only under the wheel but all around the wheel. Room for free swing of the elbows. The heavy French plate glass windows are easy

to adjust. The top comes down for spring or summer use,
